

*Masonic Home of Virginia— Richmond, Virginia*

Evans Construction, Inc. was contracted by the Masonic Home of Virginia to construct a 60-Bed Nursing Bed Facility addition and a commercial Kitchen and Dining Room. The dining room addition consisted of converting an entire first floor of a multi-floor building into a dining hall. The kitchen was a 10,000 sf addition adjacent to the new dining hall. The Architect for the Nursing Bed Facility was Horner and Associates from Roanoke, Virginia and the Architect for the kitchen and dining room was Marcellus, Wright Cox, and Smith for Richmond, Virginia.
